

With over 27 years of experience photographing weddings, I will capture your special candid moments and create classic portraits for you to cherish for life. Wedding album packages include consultation, photography planning session, proofs to view and select package from. A 2-3 hour design session with the couple to create your album is also included. Album comes with choice of color, design and titles. Additional pages are available. We are a full service portrait studio. Additional hour of photography is \$125. Internet viewing of images for family & friends.

To add all the proofs to wedding album packages add \$299
